Quality person-centred care

At Stow Healthcare, our philosophy of care is based on family values. We strive to deliver high quality person-centred care, which means really knowing what our residents like to make each day special. We have quality leadership teams and well trained staff with extremely high levels of enthusiasm for their roles. We believe that our residents should receive the best care possible in a luxurious, well resourced, supportive and secure environment and that independence should be promoted wherever possible.

Care services

At each home we are pleased to offer a variety of care packages to suit individual needs and circumstances.

These services include:

- Long Term Care
- Respite Care
- Convalescence Care
- Palliative Care
